INTRODUCTION

We encourage openness and transparency. We expect that complaints will be handled sensitively and supportively, with respect and candour. We aim to respond, rectify, and resolve any concerns as/if they arise. This complaints policy is for young people, as well as anyone who has contact with any aspect of Sportfit Support Services Limited.

Please note that if a colleague wishes to make a complaint, they must refer to our [Disciplinary, Professional Conduct, Grievance & Appeals Policy](#).

REGULATION

REGULATION 31: COMPLAINTS & REPRESENTATIONS

- 31.— 1) Subject to paragraph (6), the registered person must establish a procedure for considering complaints and representations made by or on behalf of children.
- 2) In particular, the procedure must provide that no person who is the subject of a complaint or representation takes any part in its consideration or investigation, except at the informal resolution stage if the registered person considers it appropriate.
 - 3) The registered person must ensure that a record is made of any complaint or representation, the action taken in response, and the outcome of any investigation.
 - 4) The registered person must ensure that no child is subject to any reprisal or detriment for making a complaint or representation.
 - 5) The registered person must provide to the CIECSS upon request a statement containing a summary of any complaints or representations made during the 12 months preceding the date of the request and the action that was taken in response to each complaint or representation.
 - 6) This regulation (with the exception of paragraph (4)) does not apply to any matter to which the Children Act 1989 Representations Procedure (England) Regulations 2006(1) apply.

PURPOSE & AIMS

[Anyone can make a complaint and we need to know if things go wrong. This is important because it will help us to develop and learn to provide the best possible services and support.](#)

Sportfit have embedded a culture of continuous improvement, and for this to be effective we need to know when people feel unhappy or concerned to make things better (now, and for the future).

Our complaints procedure has been implemented to:

- Encourage resolution informally wherever possible.
- Be easily accessible.
- Be simple to understand and use.
- Be impartial.
- Be non-adversarial.
- Allow swift handling with time-limits for action and keep people informed of progress.
- Ensure a full and fair investigation by an independent person where necessary.
- Respect people's desire for confidentiality.
- Address all the points at issue and provide an effective response and appropriate redress.
- Monitor complaints so that services can be improved.

OUR AIMS

Our aims are to:

- Respond to complaints with sensitivity and supportively, with respect and candour.
- Seek positive resolution of problems by informal means.
- Ensure that no young person (or other relevant stakeholder) is subject to any reprisal or detriment for making a complaint.
- Provide a transparent and informative service to all young people and adult stakeholders.
- Ensure that concerns are dealt with quickly, fully, and fairly and within clearly defined time limits.
- Provide effective responses and appropriate redress.
- Promote and maintain good working relationships between all people involved with Sportfit.
- Allow for open, engaged environment.
- Learn from our mistakes. Provide information to the leadership team so that services can be improved, focusing on maintaining safe and positive relationships.

WHO CAN COMPLAIN?

This policy is in place for young people. However, it may be used by anyone who has a concern or complaint about any aspect of our services.

Sportfit wish to make clear from the onset that anyone who wishes to make a complaint has a right to be accompanied by an advocate or supportive individual. A complainant (i.e., the person who makes a complaint) may be accompanied at any stage of the procedures outlined in this policy.

We want young people to be confident and assured in the knowledge that their views and feelings will be taken seriously. Sportfit are committed to this principle and any attempt by any colleague to "cover up" concerns or ignore complaints will be taken extremely seriously.

HELPING YOUNG PEOPLE TO EXPRESS THEIR VIEWS AND FEELINGS

It is essential that young people are provided with every reasonable opportunity to express their views, wishes and feelings about the quality of support they receive. This starts before a young person moves into one of our settings or on the day of admission, they must be provided with:

- A Young Person's Guide/Welcome Pack.
- A copy of the complaints' procedure (which must be explained to the young person).
- Information about advocacy support and how these may be accessed.

It is responsibility of the registered service manager to ensure that young people can demonstrate an appropriate understanding of how to make a complaint and how complaints will be handled.

SUPPORTING YOUNG PEOPLE TO RAISE ANY CONCERNS OR WORRIES

Colleagues must take reasonable action to ensure that young people know they can use a wide range of means to let us know if they are feeling unhappy or wish to complain. This is important because all young people are different and as such, colleagues should adopt an approach that "best fits" with the young people's personality, individual needs, and character, as well as the context of their concern. For example, some young people may require a peaceful and structured 1:1 meeting (such as Keyworker meeting), whilst others may prefer to talk openly.

Some young people may prefer to speak with their social worker, another colleague or an independent advocate. It is therefore essential that Sportfit maintains a flexible structure for handling worries and concerns that may escalate to an official complaint.

All individual young people will be advised that "if they are unhappy about anything" they can:

- Raise any concerns, at any time, with an adult (i.e., a colleague).
- Speak with any member of the Senior Management Team (SMT) or a Director.
- Speak with their social worker or an Independent Advocate (see below for examples).

Young people will also be informed that they can call:

CHILDLINE 0800 1111	NYAS 0808 808 1001 or 0151 649 8700	THE WHO CARES TRUST 0207 251 3117
NSPCC 0808 800 5000 or (TEXT) 88858	CORAM VOICE 0808 800 5792	CHILDREN'S RIGHTS DIRECTOR 0800 528 0731

Young people can also seek further advice by going to: <http://www.childrenscommissioner.gov>

If a young person wishes to raise an official complaint, this will be responded to and recorded through the following four stage complaints process (See Over). This process is for young people and anyone who has contact with any aspect of Sportfit.

It is to be used when it is not possible to resolve concerns through solution-focused discussion at Stage One (i.e., Informal), resulting in an escalation to Stages Two, Three and Four (i.e., Formal). Please note that all matters must be recorded, including an account of Stage One complaints that are resolved through discussion.

SUMMARY OF STAFF PROCEDURES

Colleagues must ensure that:

- The views, wishes and feelings of young people must be encouraged (and recorded) in relation to matters affecting their general support, safety, welfare, and their lives.
- They help each young person to express their views, wishes and feelings.
- Young people are not made to feel guilty or ashamed, ensuring that they do not experience any reprisal or detriment. Under no circumstances should colleagues belittle or undermine the young person's views and feelings about the support provided.
- Positive Relationships are maintained.
- They do not adopt or use a defensive approach to hearing complaints or concerns.
- They behave with respect and candour (i.e., if a mistake has been made, say "sorry").
- Provide feedback to the young person about the process and outcome of their complaint.
- They help each young person to understand how their views, wishes and feelings have been acknowledged, with an explanation of why certain decisions are made.
- They help each young person to understand how their privacy will be respected.
- Each young person is encouraged to provide feedback to, and raise issues with, colleagues.
- Each young person has a Young Person's Guide and a copy of the complaint's procedure.
- Each young person is given and fully supported to use advocacy support, as required.

Managers must:

- Ensure that 'no person who is the subject of a complaint or representation takes any part in its consideration or investigation, except at the informal resolution stage if the registered person considers it appropriate.' For example, during an initial fact-finding inquiry.
- Promote a psychologically safe environment for all young people, colleagues, and other relevant stakeholders, which will encourage candour and transparency in practice. (Continued Over)

- Ensure that colleagues record all complaints or representations, which must be reviewed by the registered service manager to ensure good practice (i.e., assessing trends and quality, and opportunities for service enhancement through learning lessons from mistakes, for example).
- Ensure colleagues provide feedback to young people about the process and outcome of their complaint.
- Maintain a central record of complaints, which must be available for regulatory review as required. This must include the action taken in response, and the outcome of any investigation.
- Provide any additional training required following a complaint, whether the outcome is upheld, partially upheld, or not upheld.

Colleagues have a duty to be proactive in gaining each young person's views, wishes and feelings. This should be considered and balanced against what is judged to be in the young person's best interests. All such matters must be recorded and retained within the young person's case files.

CIRCUMSTANCES WHERE THIS POLICY DOES NOT APPLY

Issues related to allegations, disclosures, low-level concerns, whistleblowing, criminal investigations, as well as colleague grievances must all be handled separately from this policy.

For further guidance, please refer to our:

- Safeguarding Policy Manual and related safeguarding policies, which include guidance upon raising concerns about the conduct and behaviour of a colleague. If in any doubt, contact a manager or supervisor who will be happy to advise.
- Disciplinary, Professional Conduct, Grievance, and Appeals Policy if you are a colleague wishing to make a complaint.

This complaints policy is distinct from formal disciplinary proceedings, and this should be made clear to all concerned.

There may be occasions where a complaint gives rise to disciplinary procedures, which put the complaints process on hold. If this occurs, the complainant should be informed.

Any non-disciplinary aspects of the complaint should continue to be dealt with through the complaint procedure, noting that 'no person who is the subject of a complaint or representation takes any part in its consideration or investigation, except at the informal resolution stage if the registered person considers it appropriate.'

FOUR STAGE COMPLAINTS PROCESS

THERE ARE FOUR STAGES OF ACTION: AN INITIAL INFORMAL STAGE & THREE FORMAL STAGES.

Within the Informal Stage, primary responsibility rests with colleagues. This means that colleagues will seek every reasonable opportunity to resolve matters raised and make things better again.

Within the Formal Stages, responsibility rests with Sportfit management. This includes, the SMT and Directors, as well as Local Authority Officers where appropriate.

Each of these stages will usually occur in order and it is not possible to return to previous stages.

It is stressed that most complaints are resolved on an informal basis (Stage One).

Colleagues must remember that young people must be supported to access independent advocacy as required, in all stages.

STAGE ONE

Colleagues will listen to your complaint and try to make things better. They will record your complaint and all that has been said.

STAGE ONE INFORMAL

Most complaints can be handled informally and resolved through solution-focused discussion.

This means that colleagues will focus their approach upon finding solutions to concerns raised. Colleagues will ask what can be done to make things better and empower the young person to actively contribute towards finding/engaging in a solution, where appropriate.

There are many occasions where concerns are resolved straightaway without the need to submit a formal complaint.

WHO TO SPEAK TO?

Young people may decide to raise their concerns with a colleague (such as their keyworker) depending upon their wishes and the type of issues they want to discuss. It is important that all concerns or complaints raised are reported to the manager for advice and guidance, as well as to ensure that appropriate records are retained.

MONITORING

We will keep a record of any informal meetings regarding complaints. This is important because there may be occasions where issues appear to be resolved, but then resurface again later. Furthermore, we must record all complaints, including any action taken in response. If the complaint relates to a potentially serious issue (that is not a safeguarding concern), it may be necessary to move directly to STAGE TWO. This is because complaints relating to conduct will likely involve an investigation.

TIMESCALES

There are no specific time scales for dealing with concerns at this stage. However, as at all stages, issues should be considered and dealt with as quickly and effectively as possible. Actions should be recorded at any meetings, and it may be appropriate to evaluate progress at a time that is agreed.

RESPONSE

The young person (or individual) who raised the complaint will be informed of any action to be taken. If appropriate, this may be confirmed in writing. If acceptable closure is achieved at the informal stage, the registered service manager (in consultation with the young person) may authorise consider it is appropriate to involve the person who is the subject of the complaint. This will be to ensure that positive relationships are promoted, and it will support young people to recognise the importance of taking responsibility for one's own actions (as applied as an example through the behaviour of others).

If the individual is dissatisfied with the response they have been given and would like to take their complaint further, they should be referred to STAGE TWO.

STAGE TWO

If the young person (or individual) making the complaint is still unhappy, the registered service manager will try and help. They will write everything down and investigate if things cannot be resolved. The young person (or individual) making the complaint will get a full written response.

STAGE TWO FORMAL REFERRAL TO THE REGISTERED SERVICE MANAGER

This is the first stage of the formal complaints' procedure and all communications between parties must be carefully recorded and monitored as set out in the 'monitoring complaints' section of this document.

DISCUSSION WITH A MANAGER

The manager/supervisor will meet with the complainant and discuss their concerns and wishes. It may still be appropriate and satisfactory to reach an informal resolution at this point. If not, the registered service manager will decide whether the individual's complaint will be dealt with by this policy or another statutory procedure and advise them on what they will need to do.

SUBMITTING THE COMPLAINT

It must be clear that the concern is a definite complaint that will be dealt with according to this policy. The complaint must be formally submitted in writing to the registered service manager. As indicated within the 'Equal Access, Accompaniment and Representation' section of this policy, all complainants have the right to submit formal complaints, which have been written by another individual on their behalf.

ACKNOWLEDGEMENT AND TIMESCALES

The registered service manager should formally acknowledge the complaint within 4 working days of receiving it and begin an investigation.

THE INVESTIGATION

The registered service manager will need to investigate the complaint and review any relevant documentation and information. If necessary, the manager will interview witnesses and take statements from those involved (NOTE: 'no person who is the subject of a complaint or representation should take any part in its consideration or investigation, except at the informal resolution stage if the registered person considers it appropriate.'). Young people may also be interviewed if the complaint relates to their conduct or an incident in which they are involved (Remember: All young people have a right to advocacy).

RESPONSE

The registered service manager will provide the complainant with a full written response within 10 working days. This response will determine whether the complaint has been upheld, the reasons why, as well as what action (if any) will be taken.

If the individual is dissatisfied with the response they have been given and would like to take their complaint further, they should be referred to STAGE THREE.

STAGE THREE

If you are not happy with what the registered service manager has said, you can ask for your complaint to be heard by a committee. The committee will include an independent person and Danielle Piller (Managing Director) or a director colleague. The committee will decide if the complaint has been handled fairly and properly. Danielle will write to you with a final decision.

STAGE THREE COMPLAINTS COMMITTEE HEARING

INTRODUCTION: COMPLAINTS COMMITTEE REVIEW

Upon receiving a formally submitted complaint at this stage, Sportfit may choose to deal with it by holding a complaints committee hearing. However, in some cases, it may be possible for Danielle to resolve the issue with the complainant by other means without the need for a complaints committee review.

The complaints committee must be clerked. The clerk may be a suitable colleague or an independent person will be instructed, depending upon the nature of the complaint.

Please note that this is the first stage under which a formal complaint about the manager will be handled

REVIEW BY COMPLAINTS COMMITTEE: KEY ROLES & RESPONSIBILITIES

THE CLERK

The clerk organises the complaints committee review and will:

- Set the date, time and venue of the review, ensuring that the dates are convenient to all parties and that the venue and proceedings are accessible.
- Collate any written material and send it to parties in advance of the review.
- Meet and welcome the parties as they arrive at the review.
- Record the proceedings and notify all parties of the outcome (the committee's decision).

THE ROLE OF THE CHAIRPERSON OF THE COMPLAINTS COMMITTEE

The chair of the complaints committee has a key role and will ensure that:

- The purpose of the committee is explained to all parties and each party has the opportunity of putting their case without undue interruption.
- The issues are addressed.
- Key factual findings are established.
- Persons' who may not be used to speaking at such a review are put at ease.
- The review is conducted appropriately with each party treating the other with respect and courtesy.
- The committee is open minded and will act independently.
- No member of the committee has a vested interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure.
- Each side is given the opportunity to state their case and ask questions.
- Written material is seen and understood by all relevant parties.

The chair of the complaints committee needs to ensure that the complainant is notified of the committee's decision in writing, with the committee's response within 5 working days. This letter will explain if there are any further rights of appeal and, if so, to whom they need to be addressed.

THE COMMITTEE

The committee will comprise two senior colleagues who are independent of the incident and a further person who is independent from the service and associated organisations. **PLEASE NOTE: No member of the committee will have previously been involved with dealing with the complaint. The committee will elect its own chairperson.**

SUBMITTING A FORMAL COMPLAINT

The complainant must submit a written request to Sportfit for their complaint to be considered by a complaints committee.

The written request should be sent to:

- **Danielle Piller (Managing Director)**

The address is as follows:

- **Sportfit Support Services Ltd. – Portman House, 53 Millbrook Road, East Southampton, SO15 1HN**

ACKNOWLEDGEMENT AND TIMESCALES

Sportfit will acknowledge receipt of this letter in writing within 10 working days. This letter will inform them that the complaint will be heard by a complaints committee within 15 working days.

PREPARATION

A senior management colleague will then contact the clerk and formally request that preparatory arrangements are undertaken and completed within the designated timescales. The clerk will convene a meeting of the complaints committee.

The membership of the complaints committee will be confirmed, a date and time will be arranged for a hearing and all existing relevant documentation will be given to the designated individuals.

The clerk should then formally write to the complainant and any other relevant people and inform them:

- **Of the date, time and venue of the hearing.**
- **Of the aims and objectives of the hearing and how it will be conducted.**
- **That any documentation they wish the committee to consider must be returned to the Clerk no later than 5 working days before the hearing takes place.**
- **Of the rights of equal access, accompaniment and representation as set out within this document.**
- **How and when the committee will reach their decision.**

It is the responsibility of the clerk to ensure that all parties receive all relevant documents at least 3 working days before the date of the hearing.

THE HEARING

The hearing should allow each party involved to explain their understanding or interpretation of events and for other parties to question them.

Please note that all attendees will be asked to turn off any electronic devices to avoid unnecessary interruptions during the meeting. The recording of such meetings is not permitted, unless all present are in full and unreserved agreement that matters may be recorded electronically (i.e., digital and analogue recording devices, including mobile phones).

The hearing will, therefore, usually operate according to the following format:

- The chair will introduce all parties and explain the principles and objectives of the hearing.
- The complainant will be given the opportunity to explain their complaint. Following this the nominated senior management colleague and the complaints committee will be allowed to ask the complainant questions.
- The nominated senior management colleague will then be given an opportunity to explain the service's official response, interpretation, or view about the complaint. Following this the complainant and committee will be allowed to question the registered service manager.
- Every party will be given the opportunity to call and question witnesses called by other parties.
- The nominated senior management colleague and the complainant will both be given the chance to give final statements.
- The hearing will be concluded by the chair, who should explain that the committee will consider its decision and write to both parties within 5 working days informing them of the outcome.

This format can be altered where appropriate, but the chair of the meeting has control over its proceedings. The committee will make findings and recommendations that will be made available for inspection.

AFTER THE HEARING

The committee will then consider the complaint and all the evidence presented and:

- Reach a unanimous or a majority decision on the complaint.
- Decide upon the appropriate action (if any) to be taken.
- Where appropriate, suggest changes to, or request a review of, systems or procedures to ensure that problems of a similar nature do not happen again.

This information will be included in a summary letter to the complainant, with copies to relevant people involved in the complaint.

PLEASE NOTE:

Written records will be kept of all complaints, indicating whether they were resolved at the preliminary stage or whether they proceeded to a panel hearing. If a person is dissatisfied with the response and would like to take their complaint further, they should be referred to the next stage.

STAGE FOUR

If you are not happy with the committee's decision, you can contact:

- Ofsted (enquiries@ofsted.gov.uk or 0300 123 1231);
- The Council's Complaints Service; and
- The Children's Commissioner

STAGE FOUR IF A COMPLAINANT CONTINUES TO FEEL DISSATISFIED

Sportfit will make every reasonable effort to resolve complaints, as detailed in this policy. However, there may be times when a complainant continues to feel dissatisfied, having been through Stages One, Two and Three. In such circumstances, the complainant can escalate their complaint to the commissioning authority (i.e., the relevant local authority's complaints service), the Children's Commissioner and Ofsted.

Details of how to contact the relevant local and/or placing authority are available through their websites. In addition, colleagues will be able to provide suitable advice about contacting such services. Furthermore, if the complainant has an independent advocate, they will also be able to provide suitable advice, guidance, and support.

Sportfit will engage fully and appropriately with any such action. We are committed to being honest, open, and transparent. This means that all appropriate information regarding the complaint will be provided for assessment and evaluation, as requested by the local authority and/or placing authority. This will include communications with the complainant and relevant recorded information.

THE CHILDREN'S COMMISSIONER

A young person may wish to escalate the complaint to the Children's Commissioner. The young person may do this at any time, but they should be advised to follow the complaints procedure as outlined in this policy.

The Children's Commissioner offers a "Help at Hand" service and these can be accessed through:

- Freephone: 0800 528 0731 or Email: help.team@childrenscommissioner.gsi.gov.uk

HELP AT HAND PROVIDES:

- Free independent advice on rights and entitlements; and
- Direct confident contact (<https://www.childrenscommissioner.gov.uk/help-at-hand/get-in-touch/>)

MONITORING, UPHOLDING OR NOT UPHOLDING COMPLAINTS

At all formal stages of the complaints procedure (Stages Two to Four), the following information will be recorded in writing (if all agree, an audio recording system may be used at any meeting with an accurate written-up copy of proceedings completed immediately thereafter and subsequently agreed as accurate, by all present):

- The name of the complainant, and the date and time at which complaint was made.
- The details of the complaint.
- The desired outcome of the complainant.
- How the complaint is investigated (including written records of interviews held).
- Results and conclusions of investigations, including any action taken.
- The complainant's response (satisfaction or further pursuit of complaint).

At each stage of the complaint procedure, the conclusion will be either:

- That the complaint is upheld (in part or in full) and, where appropriate, some form of action is taken; or
- That the complaint is not upheld and reasons for this are clearly given.

It may be appropriate to offer one or more of the following:

- An apology
- An explanation
- An admission that the situation could have been handled differently or better
- An assurance that the event complained of will not recur
- An explanation of the steps that have been taken to ensure that it will not happen again
- An undertaking to review policies.

PLEASE NOTE:

Although Sportfit must ensure that 'no person who is the subject of a complaint or representation [will take] any part in its consideration or investigation. However, following closure at Stages 2 through 4, and if the registered service manager considers it appropriate, the person who is the subject of the complaint could be required/offered the opportunity to apologise directly to the young person or relevant stakeholder (making a complaint).

APPEALS

Those who become the subject of any decisions made in relation to the complaint have the right to appeal. This is particularly important if they feel the complaint is ungrounded, unjustified, or incorrect.

VEXATIOUS COMPLAINTS

A Director may write to a complainant and refuse to consider their complaint at Stage Three if it is felt that there are insufficient grounds to do so. This may happen for example if the complaint has already been considered at this stage or if it has been closed. In both cases, the complainant has the right to take their complaint to Stage Four.

If a young person makes a vexatious complaint, their keyworker or other relevant colleague will seek to understand why the complaint was made. This is important because it could:

- Alert colleagues to wider potential concerns that need to be addressed.
- Highlight difficulties with engagement between the young person and a particular colleague.
- Indicate that the colleague who is the subject of the complaint, requires further training/guidance.

CONFIDENTIALITY

Confidentiality is vital. All conversations and correspondence will be treated with appropriate discretion. Complainants have the right to know what use will be made of personal information and, accordingly, personal information will only be shared between colleagues on a need-to-know basis. Idle discussion of complaints is inappropriate and unacceptable.

EQUAL ACCESS, ACCOMPANIMENT & REPRESENTATION

Appropriate steps should be taken to ensure that any individual can raise their concerns or submit a formal complaint. This includes the right to be accompanied or represented by a friend or relative at discussions and hearings and/or to submit formal complaints that have been written by another individual on their behalf.

Complainants have the right and option to involve a local authority officer if they wish to do so. Equally Sportfit reserves the right to involve a local authority officer at the discretion of the manager.

Should any meeting need to be held where any parties would have difficulties in terms of access, Sportfit will make every reasonable effort to provide an appropriate venue.

It is an expectation that equal respect will be granted to each person involved within the process and that differences between people will be respected and understood. Every opinion will be considered and formally acknowledged as part of the recording process.

TIME LIMITS & DEADLINES

Although each of the stages within the procedure should occur consecutively, it is not always necessary.

Complainants may need some time to decide whether they wish to pursue the matter any further, or there may be a need to trial and evaluate outcomes. After each stage, the complainant and the individual who is dealing with their complaint should agree an appropriate time limit.

All colleagues and complainants must comply with agreed time limits and deadlines included within this policy. However, in certain circumstances it may be deemed inappropriate or impossible to guarantee that this is possible (i.e., where a complaint leads to criminal proceedings this will always be the case for example).

If it becomes necessary to alter the time limits and deadlines, the complainant will be informed and provided with an explanation as to why this has been the case.

RECORDING & MONITORING COMPLAINTS

The registered service manager will provide the managing director with an account of all (or any) complaints made each calendar month. Complaints that reach STAGE THREE must be recorded in the monthly incident tracker, which provides senior colleagues with data and information relating to serious operational issues and concerns, and crucially how they have or are being managed.

All complaints must be recorded in a suitably anonymised central register. The register will include:

- A summary of the complaint made.
- The action required to resolve the complaint.
- The outcome of the complaint, such as (a) the stage that the complaint was resolved, and (b) the outcome of the complaint (i.e., upheld, particularly upheld, or not upheld).
- Any lessons learned, and how any such lessons will be used to improve practice.

At the request of Ofsted inspectors, the registered service manager must supply a statement containing a summary of any complaints made during the preceding 12 months and the action that was taken in response to each complaint.

The final part of this policy provides two printable complaints posters. The first poster (see over) has been created to encourage accessibility, whilst the final poster provides more detail.

We want you to tell us if you are not happy.

We want to make things right for you.

We will work together to make things better.

HOW TO COMPLAIN

- 1. Let your support worker or keyworker know you are not happy. They will try to help you and make everything better.**
- 2. If the support worker or keyworker cannot help, they will tell a manager. The manager will try to help you and make everything better.**
- 3. If the manager cannot help, they will tell a director. The director will try to help you and make everything better.**
- 4. If you are still unhappy, you can complain to people who are not part of Sportfit, such as the Children's Commissioner or Ofsted. You can also complain to your social worker or personal advisor.**

You can get help at any stage of the complaints process. We want to know if you are unhappy, and we will always listen and do our best to make things better.

~~Problem~~
Solution

YOU HAVE THE RIGHT TO BE LISTENED TO.

We want to know if you are unhappy about anything to do with your accommodation or the adults supporting you. We have a complaints procedure that always starts with a chat.

Having a chat about why you are unhappy is Stage One. If that doesn't work, you can use the stages below to make a formal complaint. At every stage, we will do our best to make things right again. You can also choose to have a trusted adult to support you to complain.

All local authorities have a complaints service, ask your social worker about this service, and contact details. Also remember to speak openly to the Independent Reviewing Officer (IRO).

STAGE ONE

Staff will listen to your complaint and try to make things better. The person will record your complaint and all that has been said.

STAGE TWO

If you are still unhappy the registered service manager will try and help. They will write everything down and investigate if things cannot be resolved (e.g., if you are still unhappy). You will get a full written response.

STAGE THREE

If you are not happy with what the manager has said, you can ask for your complaint to be heard by an independent person, and a director. Danielle Piller is the Managing Director. Danielle and the independent person will decide if the complaint has been handled fairly and properly. Danielle will write to you with a final decision.

STAGE FOUR

If you are not happy with the committee's decision, you can contact:

- Ofsted (enquiries@ofsted.gov.uk or 0300 123 1231)
- The Council's Complaints Service
- The Children's Commissioner.
